② MINT NFT ON GOLDEN APPLE

Step 1: On the menu bar, navigate to the “Mint”.

Step 2: Choose the NFT that you want to mint and check the price.

The screenshot shows the "MINT" page of the Golden Apple Testnet. At the top, it displays the navigation bar with HOME, MARKETPLACE, MINT (which is highlighted in red), and ABOUT. A dropdown menu for the HOME link shows the address TB1QN...2UHKG. The main content area features a grid of 15 pixelated apple NFTs. Each NFT has a unique ID below it: 661921, 281952, 281965, 181979, 682023, 682096, 682073, 182067, 682046, 991927, 281982, 281984, 661834, 182012, and 682017. To the right of the NFTs, there is a section for "Advanced Settings" where users can select the network fee they want to pay: Normal (110 SATS/UB), High (120 SATS/UB), or Custom (237 SATS/UB). Below this, there is a "Custom fee" slider set to 237. A detailed breakdown of the transaction fees is provided, including Sats inscription (~0.4127\$), Network Fee (~168.8303\$), Service Base Fee (~1.3749\$), Platform fee (~0.6878\$), Fee by size (~2.8089\$), and a total of ~174.1145\$. At the bottom right, there is a "SUBMIT & PAY INVOICE" button.

③ HOW TO LIST AND BUY NFT FROM MARKETPLACE

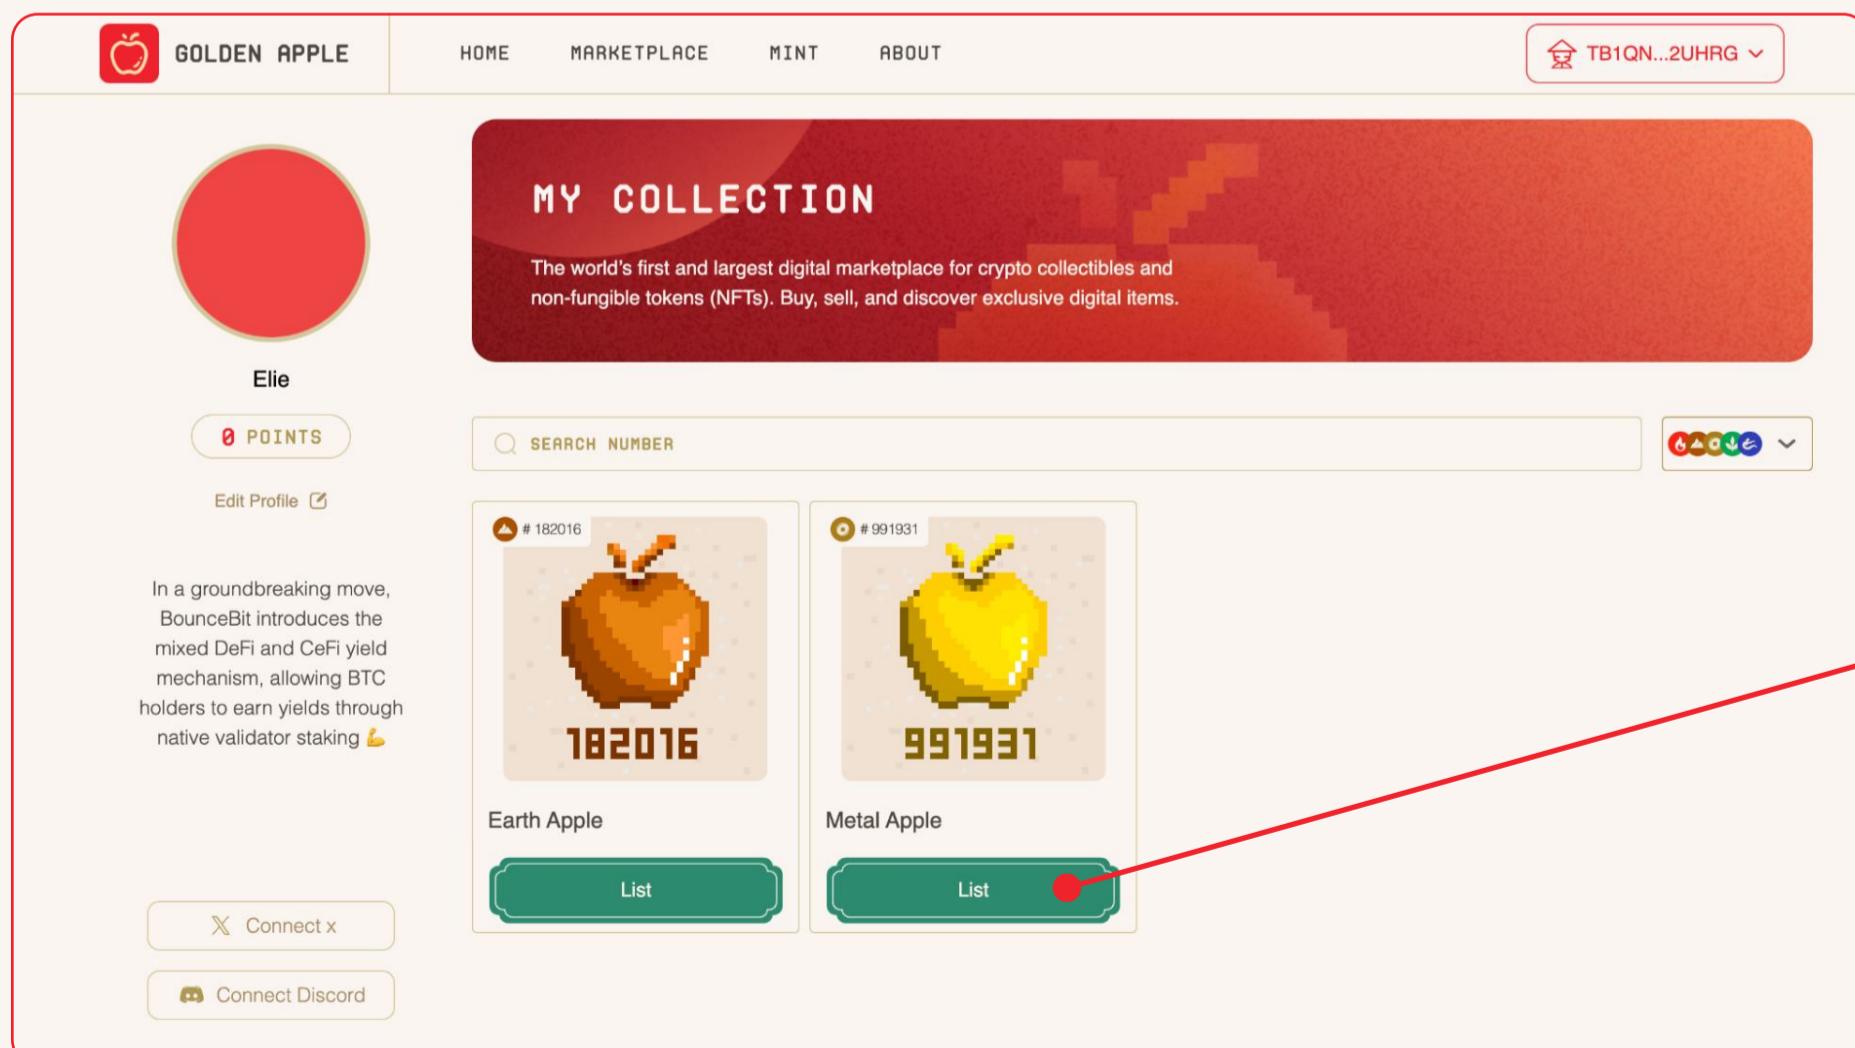

▶ LISTING

Step 1: At the upper right of the site, hover your mouse over the address to drop down a menu. Select “User Profile”.

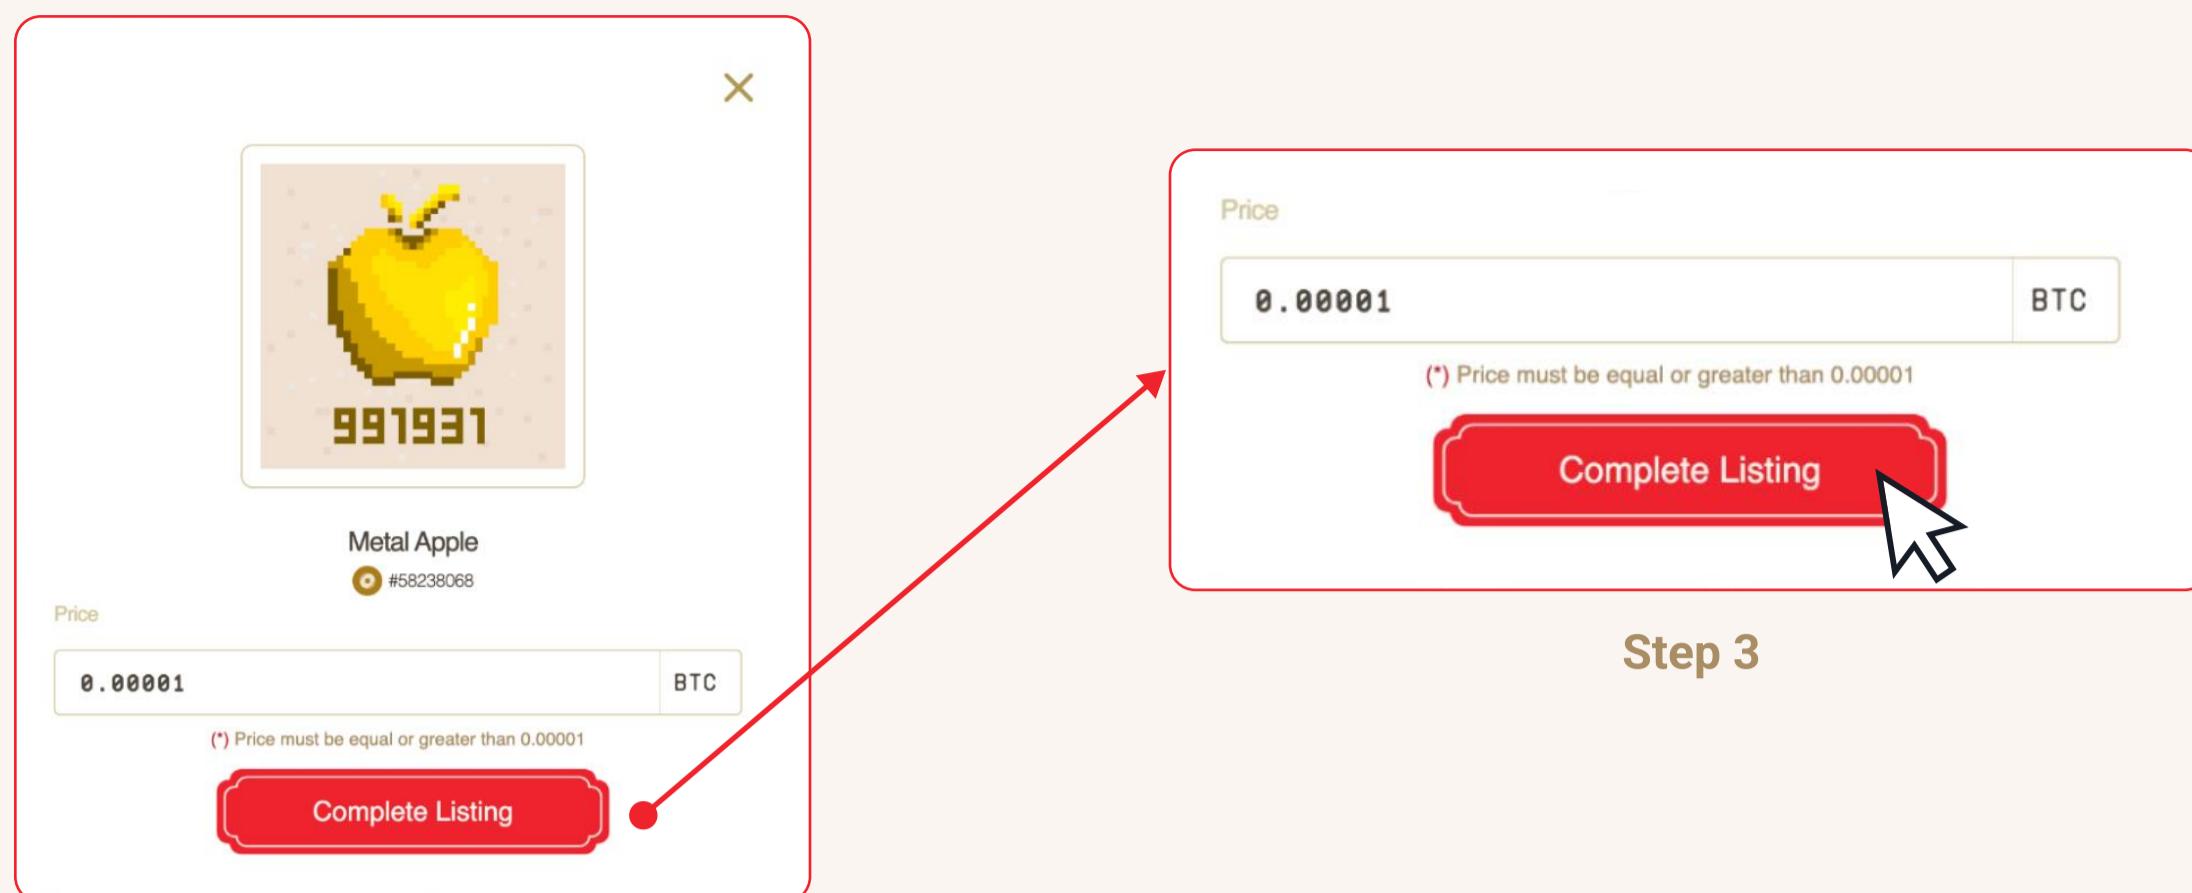

Step 1

Step 2: Under each NFT in your collection, there is a “List” button.

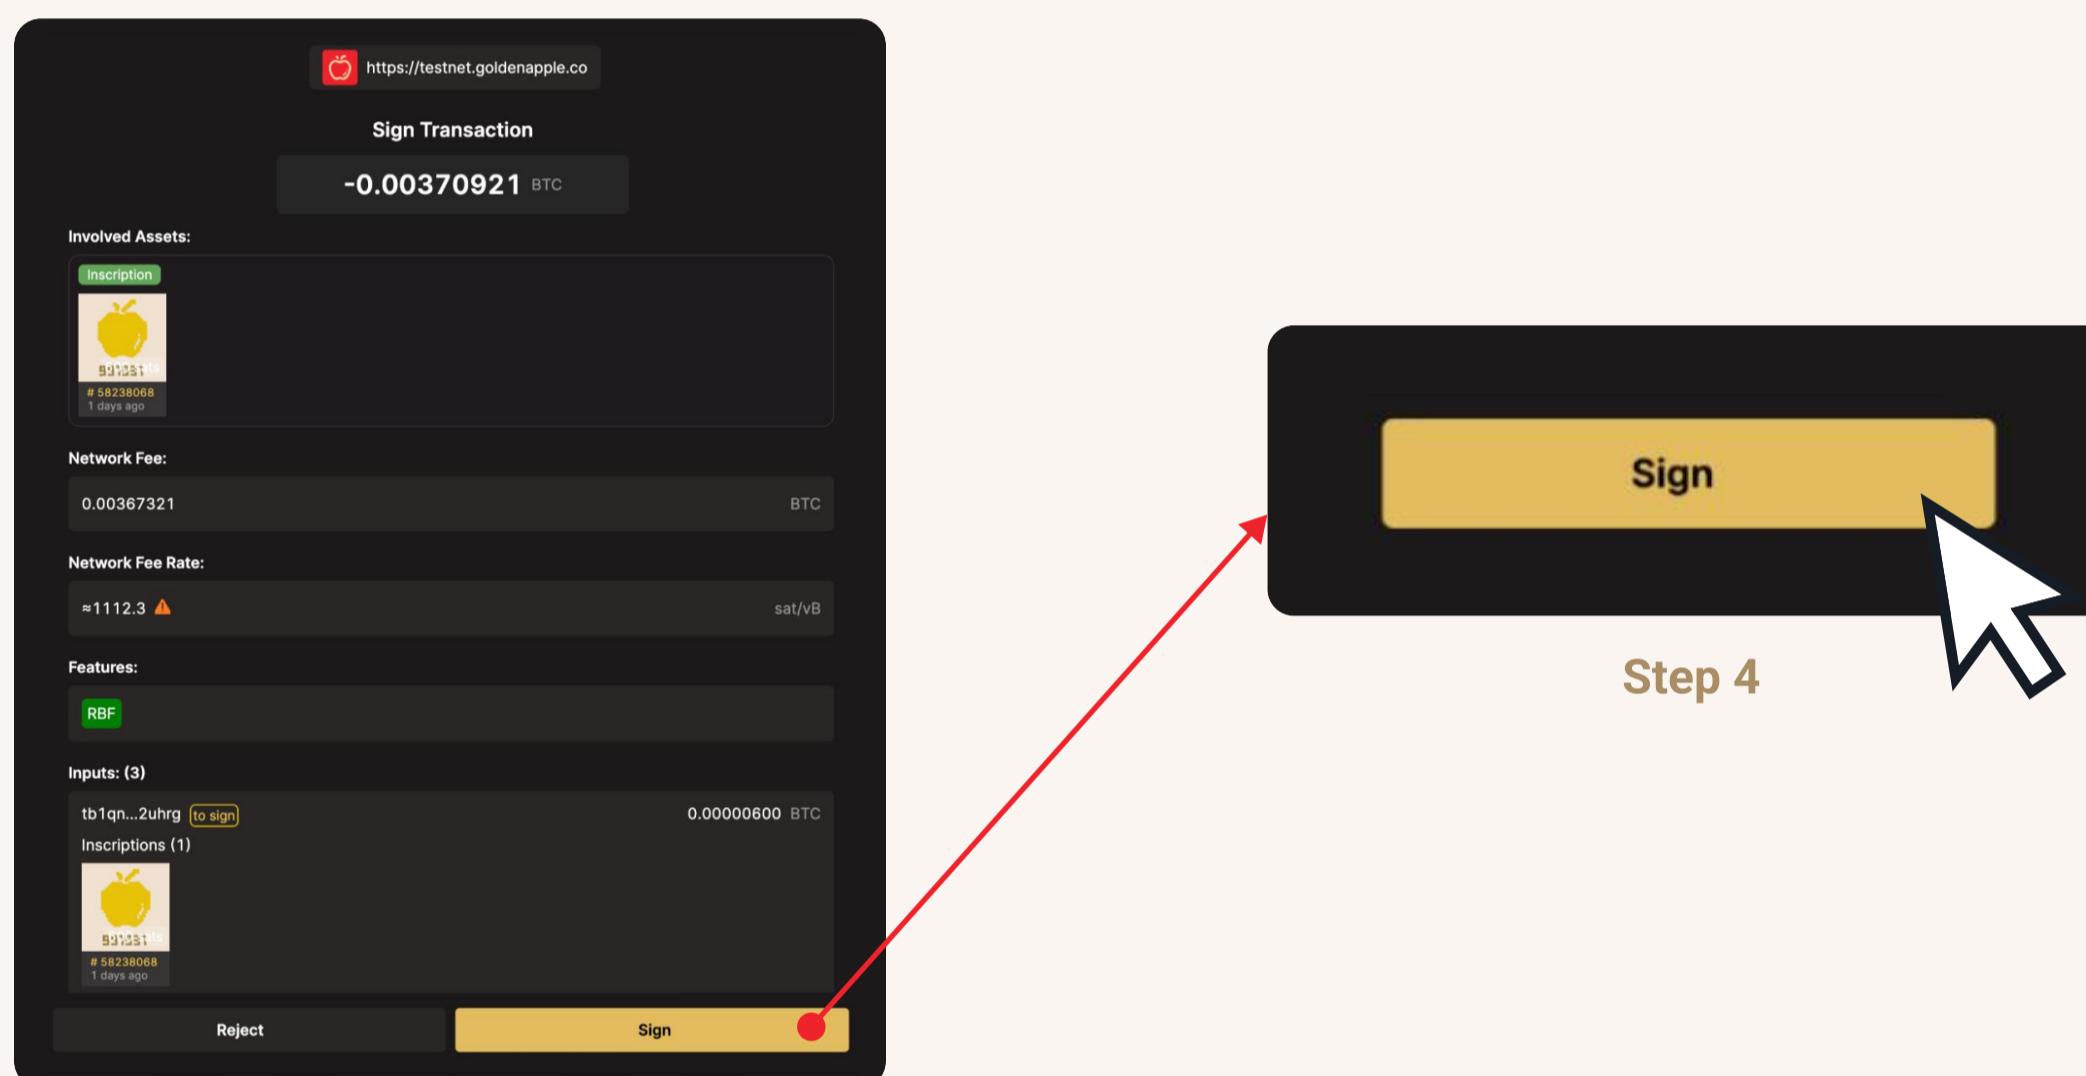

Step 2

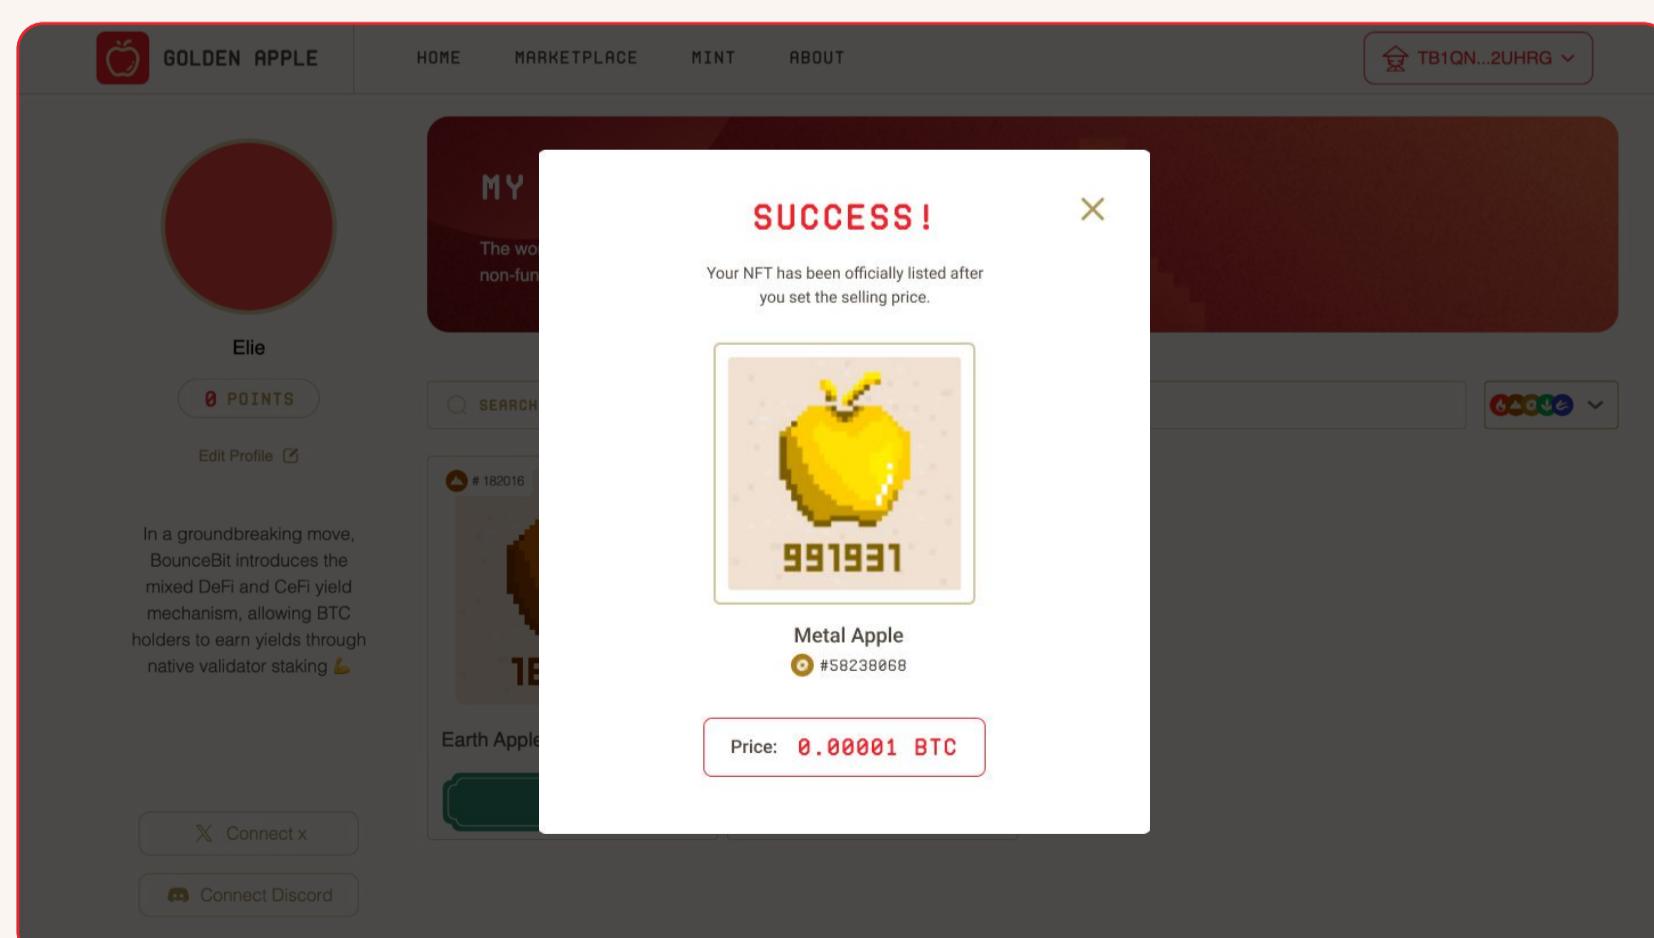

Step 3: Select and adjust the price you want to sell. Then hit “Complete Listing”

Step 4: Unisat Wallet will pop up shortly. Hit “Sign” to complete your listing request.

Step 5: Once your request has been successfully broadcasted, you will be brought back to Golden Apple site.

► BUY NFT FROM MARKETPLACE

Step 1: Visit: <https://testnet.goldenapple.co/marketplace>.

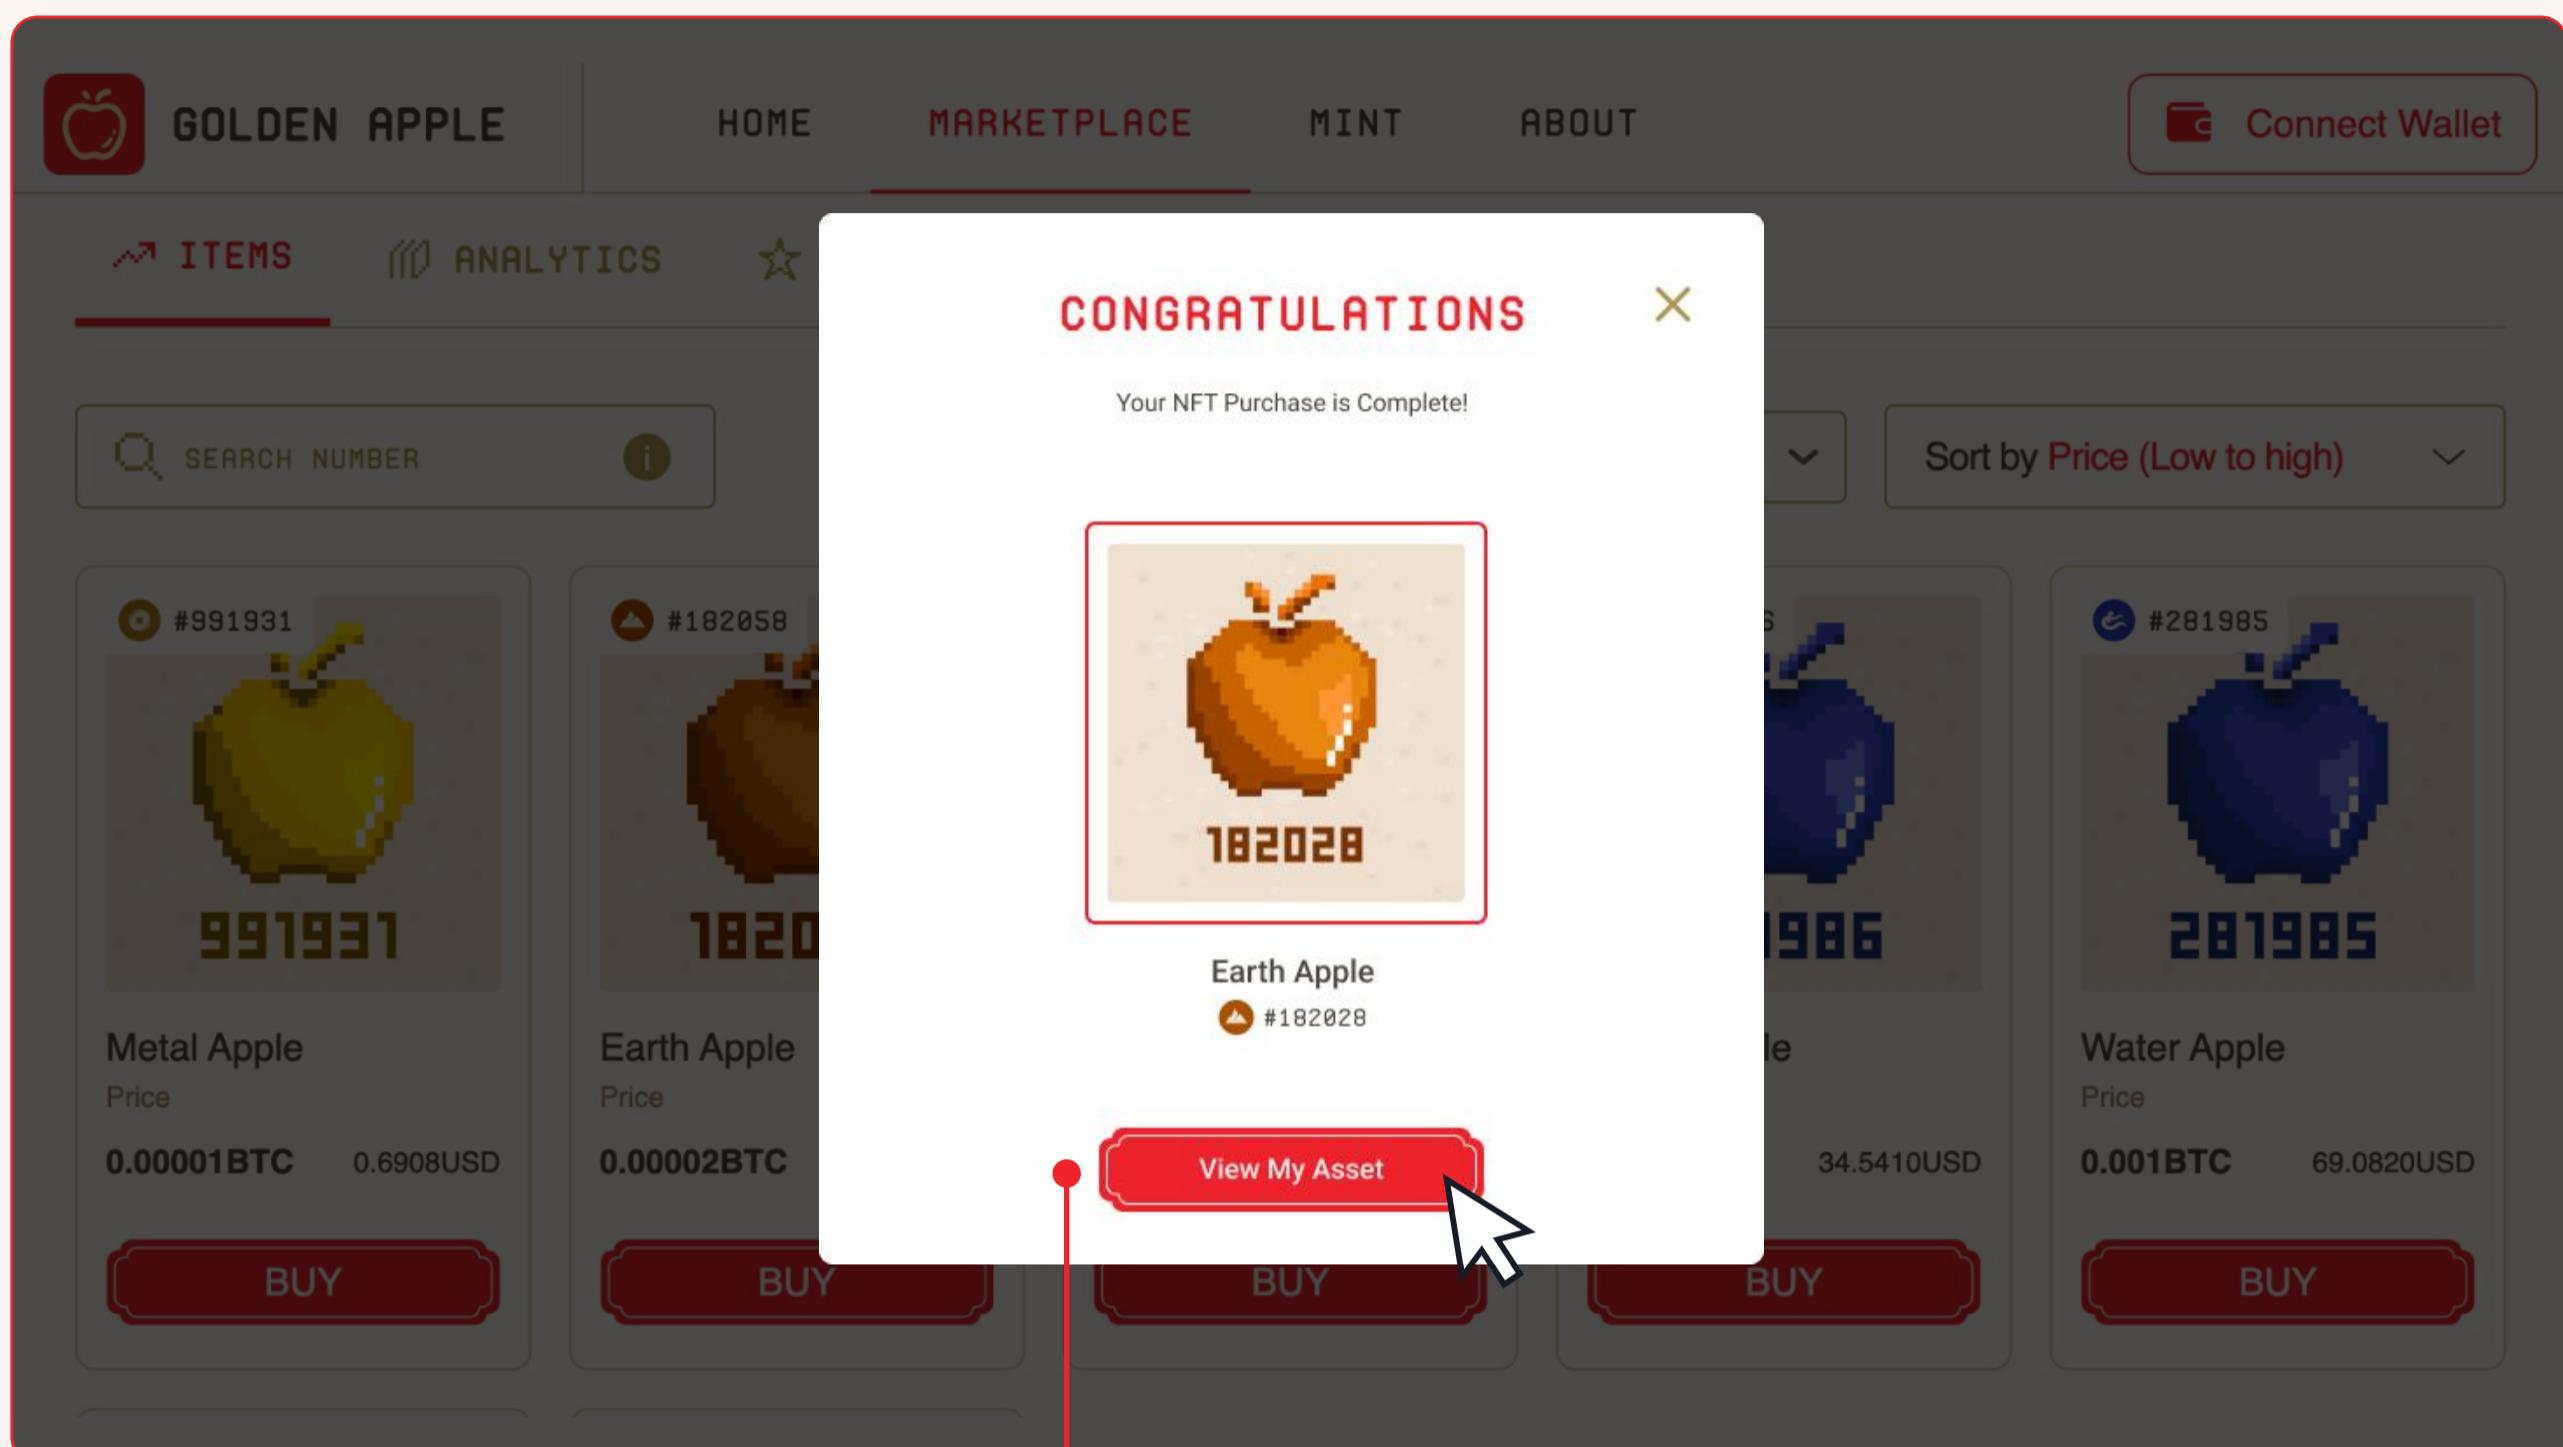

Step 2: Choose the NFT that you want to buy, then click the "Buy" button

The screenshot shows the 'MARKETPLACE' section of the Golden Apple website. It displays a grid of five NFT items: Metal Apple, Earth Apple, Earth Apple, Water Apple, and Water Apple. Each item has a thumbnail, ID, name, price in BTC and USD, and a 'BUY' button. An inset on the right shows a detailed view of the Earth Apple NFT (#182058), including its pixelated image, ID, name, price (0.00002BTC / 1.3816USD), and a large red 'BUY' button. A red arrow points from the 'BUY' button of the Earth Apple in the main grid to the 'BUY' button in the inset.

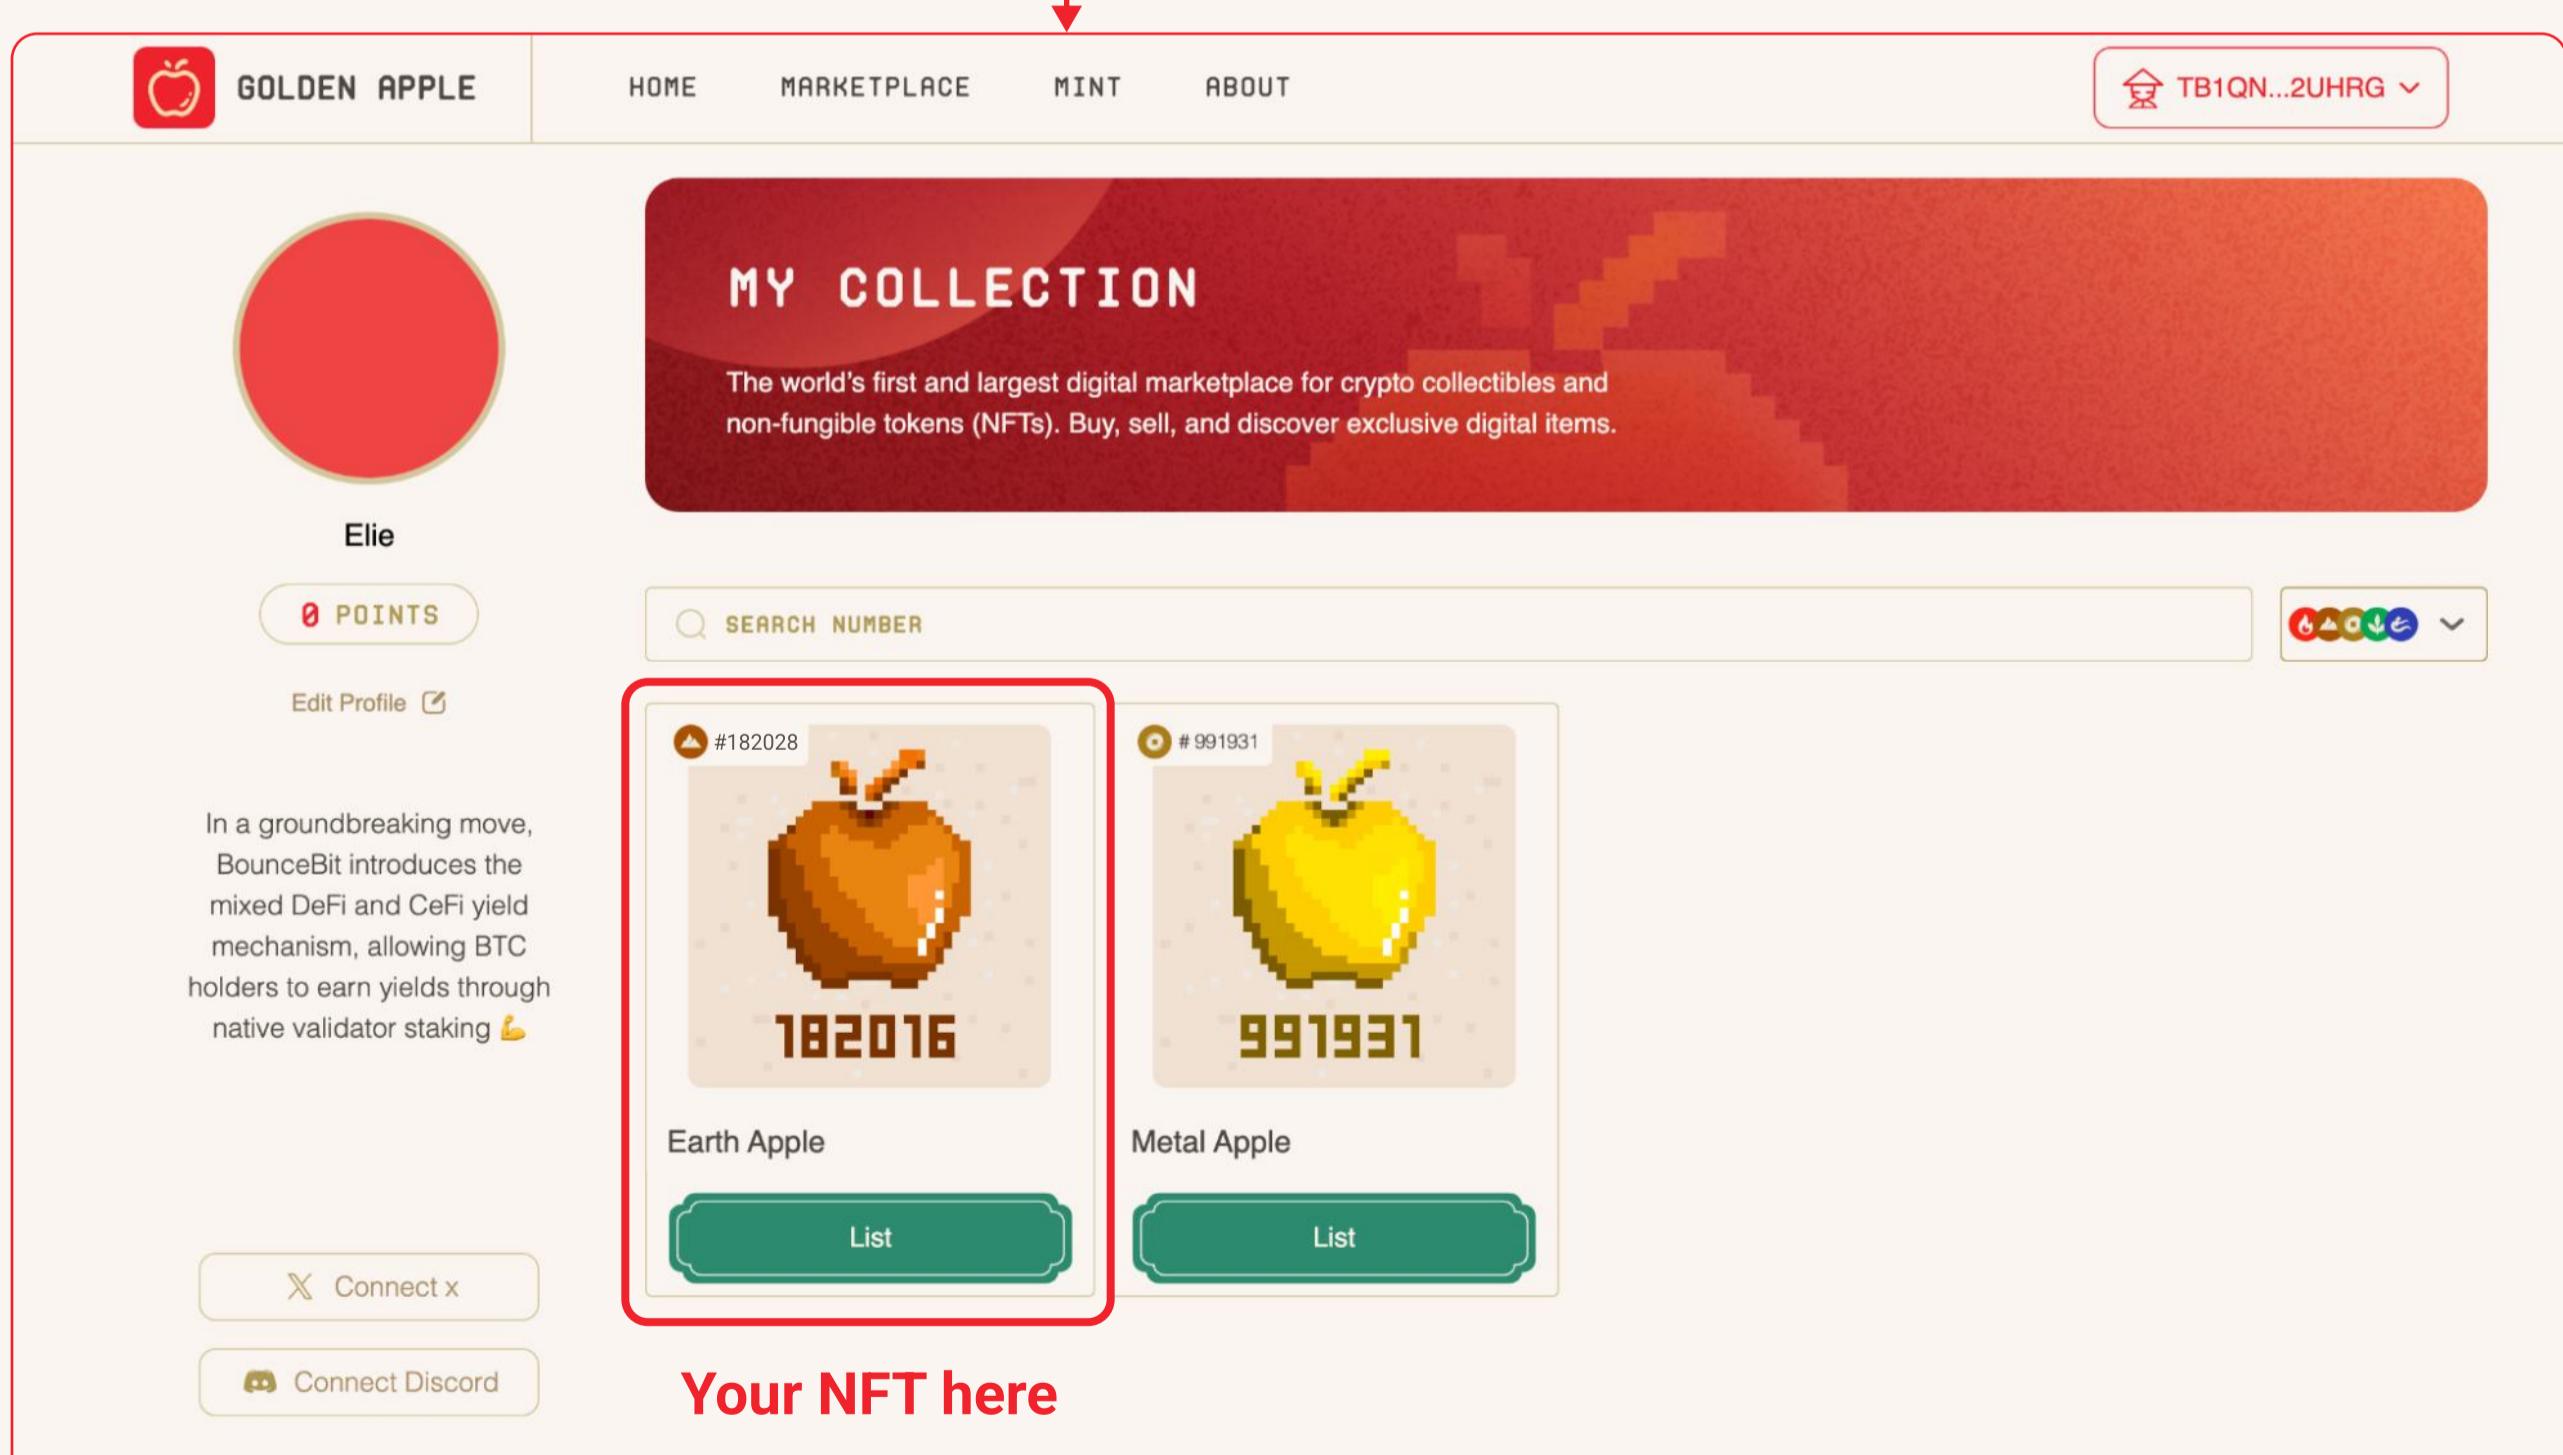

Step 3: A pop-up screen will appear with information about the NFT you are purchasing. You have the option to select the network fee you are willing to pay. After reviewing all the information, click "Confirm" to process the payment.

The screenshot shows a 'CONFIRMATION' pop-up window. It displays the Earth Apple NFT details, network fee selection (Normal, High, Custom), and a breakdown of fees: Price (~2000 SATS ~\$1.3816\$), Platform Fee (~3000 SATS ~\$2.0725\$), Transaction Fee Rate (~105 SATS/UB), and Total (~68000 SATS ~\$46.9758). The total amount is 0.00068000BTC. A red arrow points from the 'Normal' fee option in the main window to the 'Normal' fee option in the confirmation pop-up. Another red arrow points from the 'Confirm' button in the main window to the 'Confirm' button in the confirmation pop-up.

Step 4: Once your purchase is completed, click "View my asset" to view your NFT.
